

**METALSTRADe Ltd is part of  
ALEXIMCORP HOLDING**

**Main activities: Dealing with Ferrous and  
Non-ferrous Metals in Bulgarian and  
International Market**

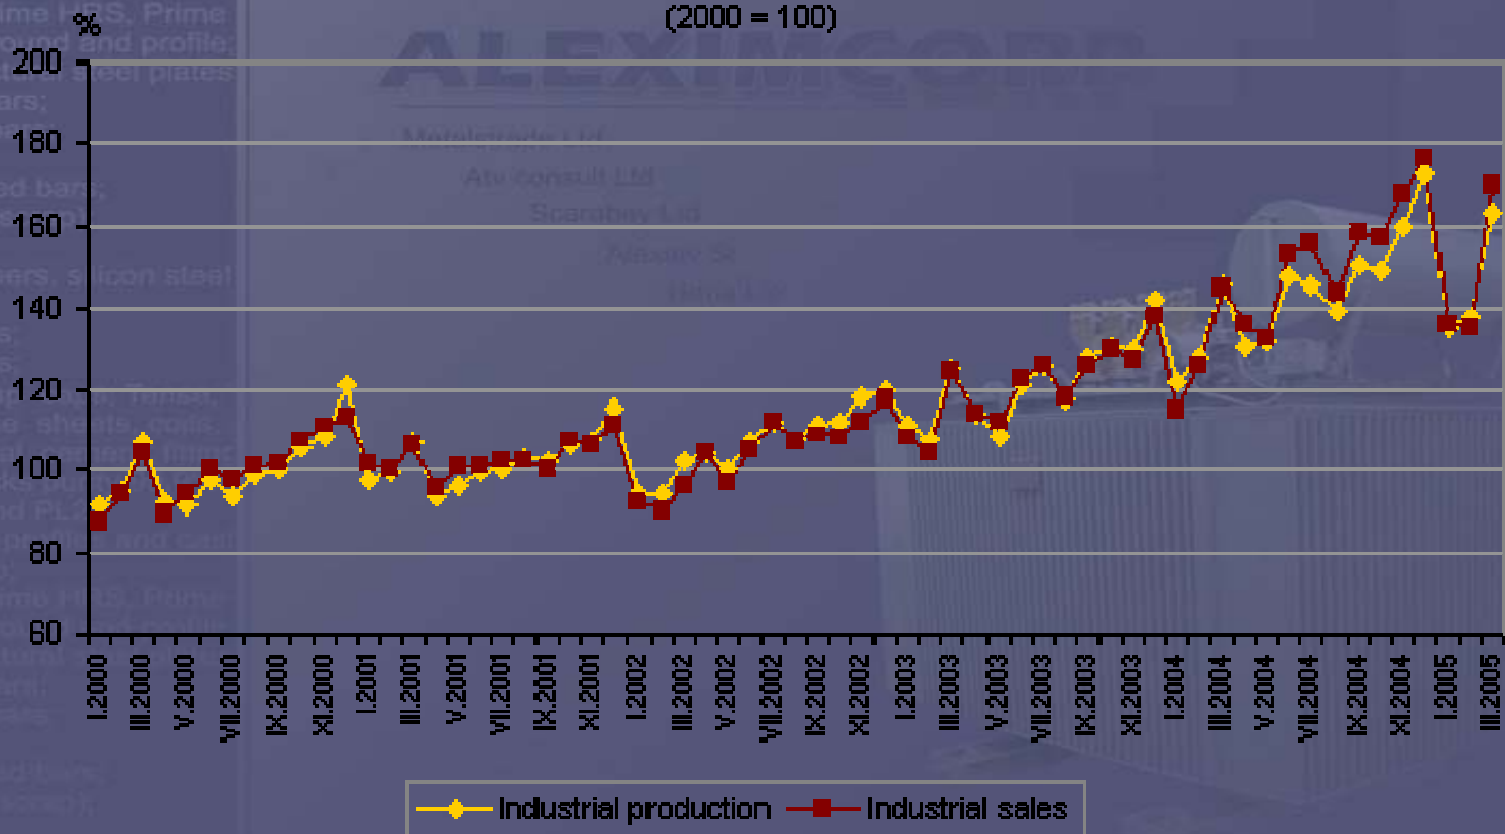

# BULGARIA – Basic Facts

- Total Area – 110,987 sq. km. (44,365 sq. mi.);
- Location – Southeastern Europe, bordering the Black Sea;
- Population – 7 500 000, population growth -4,8 ‰;
- Climate – temperate, cold, damp winters, hot, dry summers;
- Government – Parliamentarian;
- Legal System - Parliamentary Republic;
- Currency – BGN;
- Official Language – Bulgarian;
- Capital – Sofia (pop. 1,114,759);
- Ethnic Groups: Bulgarian 87.8%, Turk 8.5%, Gypsy 2.6%, other 1.1%;
- Religions: Bulgarian Orthodox 85%, Muslim 13%, Jewish 0.8%, Catholic 0.7%, and other 0.5%.

# Company Profile

- Metalstrade Ltd is a part of ALEXIMCORP HOLDING.
- The company has been founded in year of 2002;
- The company's activities has increased several times from the beginning as it was established;
- Metalstrade Ltd is a Member of Bulgarian Chamber of Commerce and Industry;
- Basic activities of Metalstrade Ltd are International Trading with ferrous and non-ferrous metals, prime and scrap;
- Metalstrade Ltd is a participant in many international conferences in Russia, Ukraine, Turkey and etc.
- Specialized in export and import of new and used transformers and prime and secondary electrical silicon steel;
- Metalstrade Ltd is the biggest exporter from Bulgaria and Eastern Europe of secondary electrical silicon steel;
- The company has acquire very good position in the Middle Eastern, Asian and American market.

# Company Politics

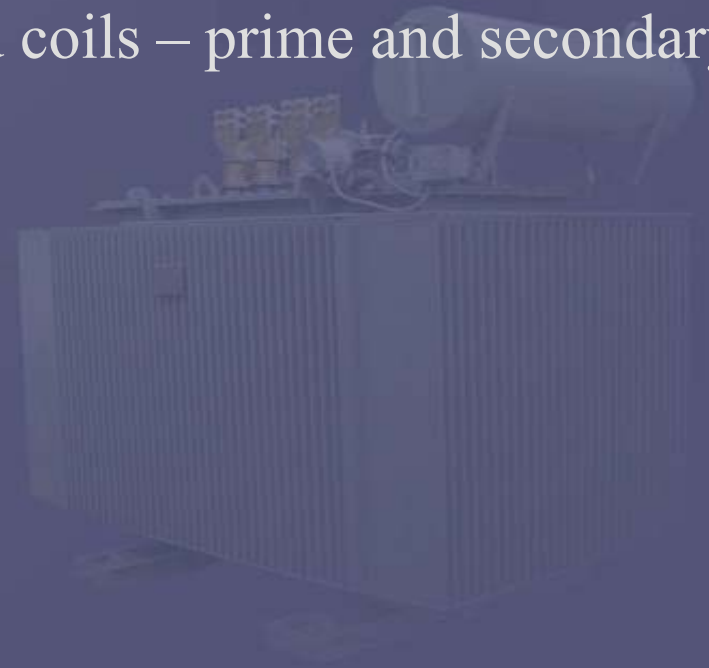

- The precise structure and the professions team qualification are a guarantee for a professional approach to our clients;
- Solidarity, exactingness, creating a spirit of a benevolence, observing of all technical standards and norms are only a part of the team. characterization which is guarantee for a immediate and adequate reaction;
- We render a big loyalty to our partners and clients;
- We are looking to create an excellent business relationships with companies from all over the world;
- Constantly developing of the company force a new structure and organization of our corporate politics. We are under the process of certification by ISO – 9001:2000 and 14001:2004.

# Trade with: Ferrous and Non-ferrous Metals

- Iron Scrap;
- Cast Iron Scrap, Pig Iron;
- Aluminum Scrap – Tense, Taint/Tabor, Taldork (UBC), aluminum caps, Al Ingots, cables;
- Brass radiators, Honey;
- Copper – Birch, Cliff;
- Prime Aluminum sheets and coils, Al foil;
- Bars; wire rod, galvanized sheets and strips;
- Galvanized Zinc Coated Pipes.

# Trade with: Steel

- CRGO, CRNO, CRNGO, HRGO, HRNGO silicon steel sheets, coils and strips – prime and secondary;
- CR/HR steel sheets and coils – prime and secondary;
- Stainless Steel Scrap;
- Steel Cuttings Scrap;
- Seamless Pipes.

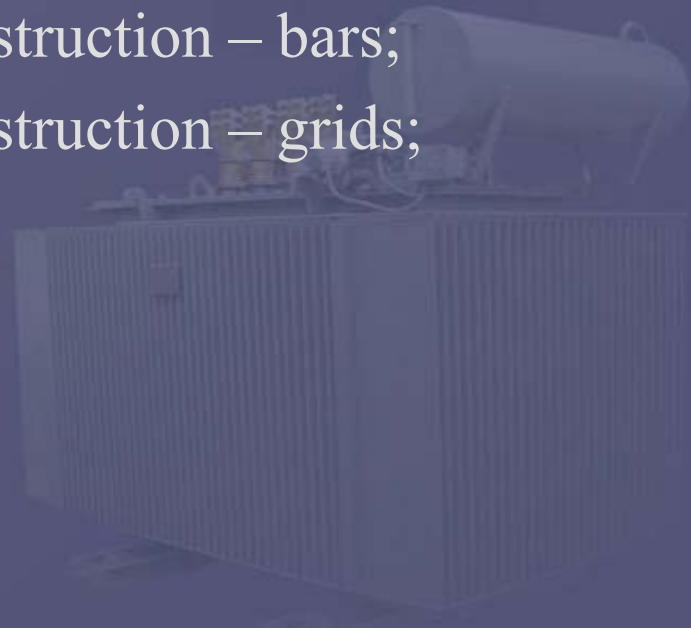

# Trade with: Building Materials

uminum scrap caps; Tense,  
uminum Prime sheets, coils,  
ilding material cement, fitting  
and Zn blocks purity 99,9%;  
g Iron PL1 and PL2;  
y Cast Iron profiles and cast  
st Iron Scrap;  
me HRC, Prime HRS, Prime  
lded pipes round and profile;  
t rolled structural steel plates  
und rolled bars;  
quare rolled bars;  
ips;  
xagonal rolled bars;  
et cuttings (scrap);  
ed Rails;  
ed transformers, silicon steel  
ransformers;  
mantle ships,  
amless pipes;  
uminum scrap caps; Tense,  
uminum Prime sheets, coils,  
ilding material cement, fitting  
and Zn blocks purity 99,9%;  
g Iron PL1 and PL2;  
y Cast Iron profiles and cast  
st Iron Scrap;  
me HRC, Prime HRS, Prime  
lded pipes round and profile;

xagonal rolled bars;  
et cuttings (scrap);  
ed Rails;  
ed transformers, silicon steel  
ransformers;

## ALEXIMCORP

- Structural Steel for construction – wire rods;
- Structural Steel for construction – bars;
- Structural Steel for construction – grids;
- Cement.

# Trade with: Foundry Goods

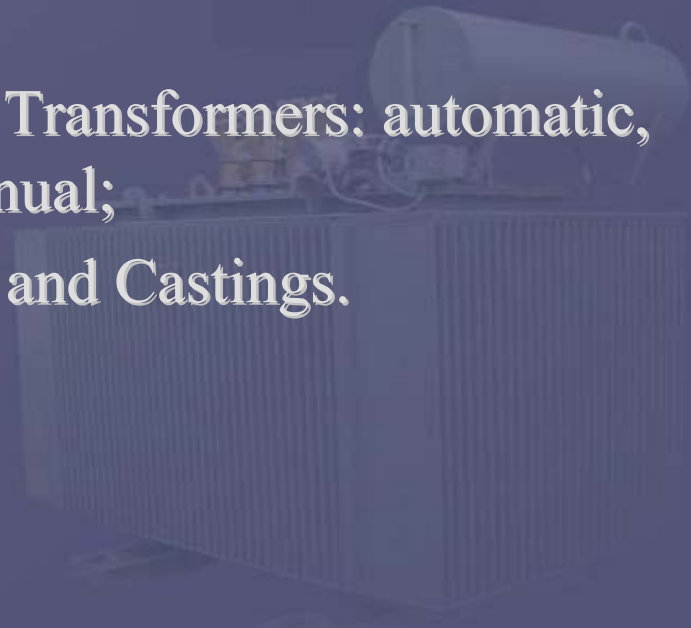

- Three and One phase power transformers – outdoor, indoor;
- Welding Machines and Transformers: automatic, semi – automatic and manual;
- Grey Cast Iron Profiles and Castings.

ALEXIMCORP

Atv Consult Ltd

Scarbey Ltd

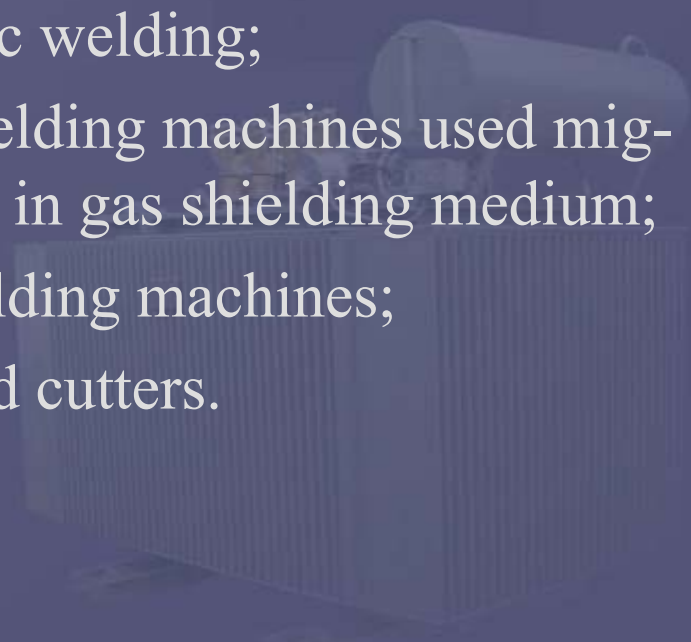

Welding Ltd

# Representatives:

## Factory – Krakra – Pernik, Bulgaria

- Manual arc welding transformers;
- Rectifiers for manual arc welding;
- Semi-automatics and welding machines used mig-mag and wig (tig) welding in gas shielding medium;
- Electrical resistance welding machines;
- Injector type torches and cutters.

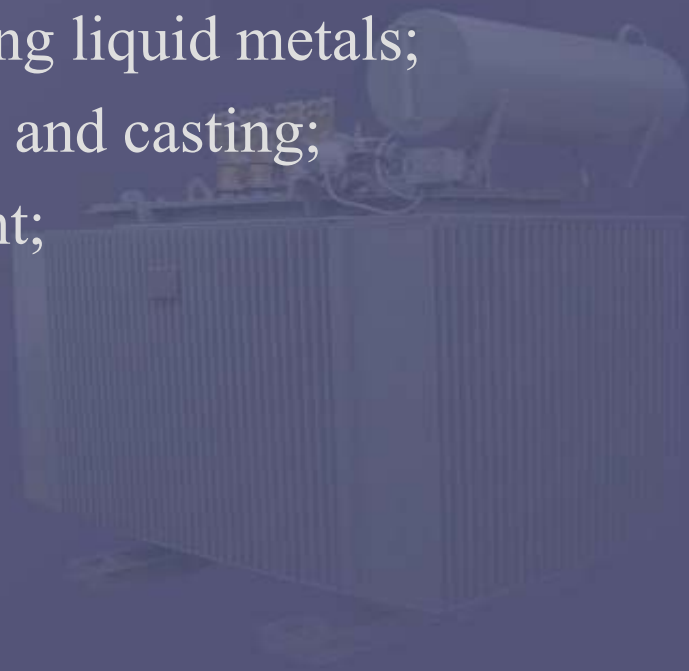

## Representatives:

# Foundry – Tchugunoleene JSC – Ihtiman, Bulgaria

- Technology for making moulds and cores;
- Technology for producing liquid metals;
- Technology for blasting and casting;
- Custom-made equipment;
- Iron bars and profiles.

**ALEXIMCORP**

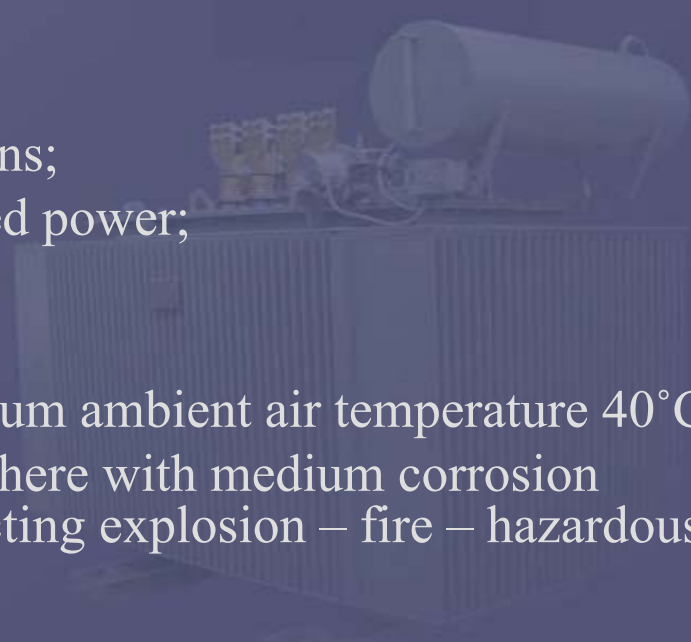

## Representatives:

# Foundry – Elprom Trafo CH Plc – Kyustendil, Bulgaria

Manufacturer of transformers from the TMC Series for rate voltages 20/0.4 and 10/0.4 and 6/0.4 kV. They are intended for:

- Indoor and outdoor operations;
- Continuous operation at rated power;
- Frequency 50 Hz;
- Altitude up to 1000 m;
- Normal climate with maximum ambient air temperature 40°C;
- Moderately polluted atmosphere with medium corrosion aggression and without conducting explosion – fire – hazardous gases, vapors or dust.
